# ADDITIONAL PROGRAM INFO

The writing workshop must be completed within six weeks from the date of purchase. No extensions will be granted.

Each writing submission will be reviewed within 2–3 working days, excluding Sundays and Mondays. If multiple submissions are made in a day, they will be reviewed in sequential order.

All practices shall be submitted within the first five weeks. The final week is reserved for corrections and feedback. Late submissions made during the last days of the program access may not get assessed if we don't get enough time.

Students must submit at least five writing assignments in a week and have at least three of them graded to qualify for the weekly live feedback session.

Timing slots for the live feedback sessions are fixed and cannot be changed on an individual basis.

Attendance in live feedback sessions is optional, and any missed sessions will not be rescheduled.

If an instructor is unavailable for a live feedback session, students will be notified via email or via WhatsApp, and the session will be rescheduled to the next possible slot.

Program-related queries must be asked in the official WhatsApp group or during the live feedback sessions.

For the best learning experience of our programs, we recommend using our e-learning platform via web browser on a laptop, tablet, or personal computer. While Moodle.org (our under-the-hood tech platform) offers a mobile app to access our courses, we do not recommend using it. We cannot provide any support for the issues you may encounter while using the Moodle app.
